Authority: Chief Medical Officer

Page: 1 of 1

=====

SCOPE

All patient care settings and services within Hackettstown Regional Medical Center (HRMC) in which medications are used or prescribed.

PURPOSE

To outline the process for maintaining and communicating accurate patient medication information

POLICY

Hackettstown Regional Medical Center adopts Adventist HealthCare's Policy AHC CP 25 – Medication Reconciliation.

PROCEDURE

I. Refer to Adventist HealthCare's Policy AHC CP 25 – Medication Reconciliation.

https://intranet.adventisthealthcare.com/policiesandprocedures/AHC_Clinical_Policies/AHC%20CP%2025.0.pdf

II. Exception to Adventist HealthCare's Policy AHC CP 25 – Medication Reconciliation:

- HRMC's Rehabilitation Services Department does not utilize the electronic medical record for documentation of outpatients.
