

**HACKETTSTOWN REGIONAL MEDICAL CENTER
CARDIO PULMONARY POLICY MANUAL
CARDIOLOGY SAFETY MEASURES**

=====

Effective Date: March 2010
Cross Referenced:
Reviewed Date: 02/16
Revised Date: 12/12

Policy No: 8B.013
Origin: Cardio Pulmonary
Authority: Cardio/Pulmonary Manager
Page: 1 of 1

Purpose: To provide a safe environment for all Cardiology patients during their visit.

Procedure:

- The Cardiology Department will follow all standards per Hackettstown Regional Medical Center regarding electrical safety. All staff and patients are to be evacuated to the outside entrance of the West Wing when fire alarm is sounded.
- All equipment will be inspected every six months by the Bio-Med department and labeled with date of testing.
- All equipment will be checked daily for integrity of the cords and plugs.
- Red outlets will be used for equipment during testing.
- All Cardiology computer systems (MUSE and Grass Twin System) will be linked to the hospital servers to preserve testing data.
- Any questions regarding the safe operation of equipment will be referred to the Bio-Med Department.
